Spotify Alarms

<u>NOTE</u>:

- **Requires a Spotify premium subscription for access to music. For grading click login -> User Name: <u>12181387190</u> Password: <u>superblue1</u> .**
- **Currently no way to stop alarms after they have been triggered until the song ends.**

Description:

Uses the Spotify android sdk and web web api to stream music from Spotify as an alarm ringtone.

Use Case:

The user sets an alarm for 10:00 am Tuesday May 1st, 2018 with the title "Go to work". At 10 am on the specified day the alarm will play a that is song related to working, or will play a song hat has the word work in the title.
